

## DAIRYPRO LAUNCHES VIETNAM AND PHILIPPINES FACEBOOK PAGES, MANAGED BY LOCAL STAFF

FOR IMMEDIATE RELEASE, AUGUST 25, 2020

(Hanoi - Vietnam, and Manila – Philippines) Today DairyPRO further deepened its commitment to serve and support dairy farmers in Southeast Asia by launching Facebook pages specific for Vietnam and Philippines.

The DairyPRO Vietnam ([www.facebook.com/yourproductivitypartnervietnam](https://www.facebook.com/yourproductivitypartnervietnam)) and DairyPRO Philippines ([www.facebook.com/yourproductivitypartnerphilippines](https://www.facebook.com/yourproductivitypartnerphilippines)) pages and online chat functions are now maintained by DairyPRO's local staff in each market, with full capability to serve local farmers in their own language. The content of each page will be kept current tailored to the interests of local farmers, in response to feedback and enquiries received by DairyPRO staff, as well as product offerings and industry developments.

DairyPRO's mission is to help Asian dairy farmers improve productivity & profits through the adoption of equipment and sanitation solutions that are reliable and efficient, designed to maximize comfort & output from each cow, and ensure high quality milk. Part of the CG Wellington Group of companies, DairyPRO leverages over 30 years of experience serving dairy producers around the world. DairyPRO harnesses this experience and the deep technical expertise of our staff to serve and support our farmer clients as their "Productivity Partner". We help our clients succeed!

Asian dairy farmers deserve high-quality equipment, service and support as they seek to improve their farms' productivity and profit, and meet the rapidly-growing consumer demand for dairy products across the region. DairyPRO is positioned to fill this need and deliver a range of quality solutions and unmatched technical support as a partner committed to serving our clients needs over the long term.
