## HOOF TRIMMING CHUTES, WITH TRAILER OPTION

The DairyPRO trimming chutes works excellent for trimming and wrapping hooves, and can accommodate Displaced Abomasum (DA), Artificial Insemination (AI), and Pregnancy Diagnosis (PG) testing. DairyPRO chutes offers both front and rear leg lifts with the front being a new swing out design that allows for better control and access to the front hooves. It also comes with swing out sides on each side creating a large opening for a large work area to make it much easier to reach those tough to access spots.
